

On this day,
Monday, the 3rd of April, 2006

Verizon Laboratories

under the direction of
Mark A. Wegleitner
Senior Vice President of Technology

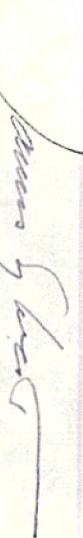

Acknowledges that:

Garwood Laboratories, Inc.
has been Certified by Verizon Laboratories Inc.,
to conduct Network Equipment Building System (NEBS) testing at
Garwood's facilities.

Verizon Certified ITL Program

The Verizon logo, featuring the word "verizon" in a bold, lowercase sans-serif font. The letter "z" is stylized with a red checkmark shape integrated into its right side.

Certified Laboratory

A handwritten signature in black ink, appearing to read "James E. Sylvester".

James E. Sylvester
Vice President, Systems Integration and Testing
